

Michael T. Osterholm, Ph.D., M.P.H.

Regents Professor

McKnight Presidential Chair in Public Health
Director, Center for Infectious Disease Research and Policy

Distinguished University Teaching Professor,
Environmental Health Sciences, School of Public Health
and
Professor, Masters of Science in Security Technologies
Technological Leadership Institute, College of Science and Engineering
and
Adjunct Professor, Medical School
University of Minnesota

Address: 420 Delaware St SE
C315 Mayo MMC 263
University of Minnesota
Minneapolis, MN 55455-0381
Telephone 612-626-6770
Fax 612-626-6783
E-mail: mto@umn.edu

Education/Degrees:

B.A. (Biology and Political Science)
Luther College, Decorah, IA

M.S. (Environmental Health)
University of Minnesota, Minneapolis, MN

M.P.H. (Epidemiology)
University of Minnesota, Minneapolis, MN

Ph.D. (Environmental Health)
University of Minnesota, Minneapolis, MN

Doctorate of Science (*honoris causa*)
Luther College, Decorah, IA

Doctorate of Science (*honoris causa*)
Des Moines University, Des Moines, IA

Special Appointments/Memberships:

November 2020-
January 2021

Member, Biden-Harris COVID 19 Transition Advisory Board

August 2019-Present

Principal Investigator and Task Force Chair, WHO R&D Roadmap for
Zika

June 2019-Present	Principal Investigator and Task Force Chair, WHO R&D Roadmap for Influenza
Aug 2017 – Sept 2019	Science Envoy – US Department of State
August 2017-Present	Principal Investigator and Task Force Chair, WHO R&D Roadmap for Ebola/Marburg, Lassa fever and Nipah
February 2016 – Present	Board of Regents, Luther College, Decorah, IA
March 2013 – Present	Member, Academy of Distinguished Teachers, University of Minnesota
July 2010 – June 2013	Member, University/Faculty Senate Representative, University of Minnesota, Minneapolis, MN
July 2009 – Present	Member, Council on Foreign Relations
July 2008 – Present	Member, Academic Health Center’s Academy for Excellence in Health Research, University of Minnesota
October 2008- January 2011	World Economic Forum’s Global Agenda Council on Pandemics Member, October 2008 –January 2011 Chair, June 2009 – January 2011
June 2005 – Sept 2014	Member, National Science Advisory Board for Biosecurity, Department of Health and Human Services
2004 – Present	Member, National Academy of Medicine (formerly Institute of Medicine)

Previous Positions Held:

2007-2014	Director, the Minnesota Center of Excellence for Influenza Research and Surveillance, National Institutes of Allergies and Infectious Diseases, National Institutes of Health.
2002	Secretary’s Representative, Interim Management Team, Centers for Disease Control and Prevention
2001-2003	Special Advisor, Secretary, Department of Health and Human Services
1999-2001	Chairman and Founder, ican, INC.
1984-1999	State Epidemiologist, Minnesota Department of Health
1981	Acting State Epidemiologist, Minnesota Department of Health
1979-1999	Chief, Acute Disease Epidemiology Section, Minnesota Department of Health

1976-1979 Research Associate, University of Minnesota, School of Public Health
1975-1979 Communicable Disease Epidemiologist, Minnesota Department of Health

Faculty Appointments:

2015 – Present Regents Professor, University of Minnesota, June 2015
2014 - Present University of Minnesota McKnight Presidential Chair in Public Health
2009 – Present Professor, Master of Science in Security Technologies, Technological Leadership
 Institute, University of Minnesota
2008 – Present Professor, Environmental Health Sciences, School of Public Health, University
 of Minnesota
2005 - Present Adjunct Professor, Department of Medicine, School of Public Health, University
 of Minnesota
2001- 2007 Professor of Public Health, School of Public Health, University of Minnesota
1996-2001 Adjunct Professor, Division of Epidemiology, School of Public Health,
 University of Minnesota
1985-1996 Adjunct Associate Professor, Division of Epidemiology, School of Public Health,
 University of Minnesota
1984-1987 Director, Infectious Disease Program, Division of Epidemiology, School of
 Public Health, University of Minnesota
1979-1985 Clinical Assistant Professor, Division of Epidemiology, School of Public Health,
 University of Minnesota
1976-1979 Lecturer, School of Medicine and School of Public Health, University of
 Minnesota

Honors:

Beta Beta Beta Biological Honor Society, Luther College, June 2016
Regents Professor, University of Minnesota, June 2015
McKnight Endowed Presidential Chair in Public Health, University of
 Minnesota, November 2014
Award for Outstanding Contributions to Postbaccalaureate, Graduate, and
 Professional Education, University of Minnesota, March 2013

Academy of Distinguished Teachers, University of Minnesota, March 2013

The American Society of Cataract and Refractive Surgery Lecture on Science and Medicine Award, April 2012

Thomas F. Waters Stewardship Award, Midwest Fly Magazine, 2010

Council of Graduate Students Outstanding Faculty Award, University of Minnesota, April 2010

Academic Health Center's Academy for Excellence in Health Research, University of Minnesota, July 2008

Association of State and Territorial Health Officials, National Excellence in Public Health Award, October 2007

Food and Drug Administration's Commissioner's Special Citation: Department of Health and Human Services, May, 2007

Paul Harris Fellow, The Rotary Foundation of Rotary International, July 2006

Elaine Larson Lectureship Award: Association for Professionals in Infection Control, June, 2004

Richard and Barbara Hansen Leadership Award: University of Iowa College of Public Health, October 2003

Shotwell Award: Hennepin Medical Society, January, 2003

The Harry F. Dowling Award: University of Illinois at Chicago, Department of Medicine, Section of Infectious Diseases, September 2001

Gaylord W. Anderson Alumni Society Leadership Award; University of Minnesota, School of Public Health, 1999

Honorary Diplomat, American Veterinary Epidemiology Society, July 1999

Doctorate of Science, *honoris causa*, Luther College, May 1999

The Wade Hampton Frost Award: American Public Health Association, November 1998

The James H. Sova Memorial Award: Minnesota Medical Association, October 1998

Phi Beta Kappa, Luther College, April 1997

Distinguished Service Award, Luther College, October 1995

- The Squibb Award: Infectious Diseases Society of America, September 1995
- The Harvey W. Wiley Medal: Commissioner's Special Citation, U.S. Food and Drug Administration, May 1995
- Distinguished Friend of the EIS: Epidemic Intelligence Service Alumni Association, March, 1995
- The Charles C. Shepard Science Award, Centers for Disease Control, May, 1991
- The Pump Handle Award; the National Epidemiology Award: Council of State and Territorial Epidemiologists, April, 1991
- Park Nicollet Medical Center Board of Trustees Community Service Award, May, 1988
- Education Award in Recognition of Outstanding Achievement, American College of Health Care Administrators, Minnesota Chapter, April, 1988
- Fellow, Salzburg Seminar, Salzburg, Austria, February, 1988
- Biographical inclusion in Five Thousand Personalities of the World, Second Edition; American Biographical Institute, Inc., December, 1987
- Northstar Communicator of the Year Award, Minnesota Association of Government Communicators, November, 1987
- Register of Men and Women Under 40 Who Are Changing America: Esquire Magazine, December, 1985
- American Academy of Pediatrics Citation for Outstanding Service, June, 1984
- Jay S. Drotman Memorial Award, American Public Health Association, November, 1983
- Minnesota Public Health Association Achievement Award, October, 1983
- Bush Foundation Summer Fellows Award, May, 1982
- Special Award for Outstanding Performance in the Pursuit of Disease Control, Minnesota Environmental Health Association, 1979
- Best Paper Award, North Central Section, American Water Works Association, 61st Annual Conference, Rochester, MN, September, 1977
- President's Award for Student Leadership, University of Minnesota, June, 1977

Outstanding Graduate Student Presentation, National Environmental Health Association Annual Educational Conference, San Diego, California, June 1977

Professional Societies:

American Association for the Advancement of Science
American College of Epidemiology (Fellow)
Admission Committee (1993-1998)
American Epidemiological Society
Secretary, Treasurer (1994-1997)
American Public Health Association
Epidemiology Section Council (1986-1988)
Publication Board (1990-1992)

American Society for Microbiology
Member, Communications Committee (2008-present)
Chair, Committee on Public Health (1996-1998)
Member, Public and Scientific Affairs Board (1996-2008)
Member, Task Force on Biological Weapons (1996-2002)
Member, Task Force on Antibiotic Resistance (1994-1998)

Council of State and Territorial Epidemiologists
President Elect, 1992-93
President, 1993-94
Vice President 1994-95

Delta Omega Honorary Public Health Society
Infectious Diseases Society of America (Fellow)
Member, Annual Meeting Planning Committee (1996-1998)
Chair, Emerging Infectious Diseases Committee (1998-2003)

Minnesota Public Health Association
Phi Beta Kappa (Luther College)
Sigma Xi (Full Member)
Society for Epidemiologic Research

Research Awards:

National Institute of Allergy and Infectious Diseases Centers of Excellence for Influenza Research and Surveillance, NIH. April, 2007 – March, 2014. HHSN266200700007C. Principal Investigator

United States Department of Homeland Security National Center for Food Protection and Defense, DHS. May 2004 – August 2006. N-00014-04-1-0659. Co-Principal Investigator

Centers for Disease Control and Prevention, U5O/CCUS 11190-01. Emerging Infections Program, 1994-1999. Principal Investigator

National Institute of Allergy and Infectious Diseases, NIH. R01 AI/HD 2/842-04 EDC. The Impact of Vaccination on *Haemophilus* Disease Incidence, 1988-1995. Principal Investigator

National Institute of Allergy and Infectious Diseases, NIH. R01-AI1842-01. Impact of Day Care on *Haemophilus* Disease Epidemiology, 1985-88. Principal Investigator

National Institute of Allergy and Infectious Diseases, NIH. #1R13AI10869-01, Symposium on Infectious Diseases in Day Care Conference Grant, 1984. Principal Investigator

Centers for Disease Control, RFP 200-83-0631 (P), Reye Syndrome Surveillance Project, 1983-1985. Principal Investigator

Other Appointments:

Committee on Public Health of the Public and Scientific Affairs Board, American Society for Microbiology, July 2017 – present

Minnehaha Creek Watershed District Citizen Advisory Board, 2014 – 2015

Minnesota Aquatic Invasive Species Research Center, Advisory Board, 2013 – 2017

Chair, Blue Ribbon Panel on Genomics, National Institute of Allergy and Infectious Disease, National Institute of Health, February 2009

Member, American Society for Microbiology, Committee on Biomedical Research of the Public and Scientific Affairs Board, June 2009 – present

Friends of the Mississippi
Council of Advisors 2010 – present
Board of Directors, 2007-2010

Member, Minnesota House of Representatives Legislative Coordinating Commission Working Group on Preparedness for Terrorism and Disasters, July 2007 – June 2008

Member, Committee on the Development of Reusable Facemasks for Use During an Influenza Pandemic, Institute of Medicine, National Academy of Sciences, January 2006 – April 2006

Member, Campaign for Public Health Advisory Council, Campaign for Public Health, 2004 – 2007

Member, Committee on Assessing the Nation's Framework for Addressing Animal Diseases, Institute of Medicine, National Academy of Sciences, August 2003 – November, 2004

Member, Board of Trustees, Marshfield Medical Research and Education Foundation, May 2002 – January 2006

Member, Advisory Council on Public Health Preparedness. Department of Health and Human Services, October, 2001 – January 2003.

Member, Committee on Emerging Microbial Threats to Health in the 21st Century. Institute of Medicine, National Academy of Sciences, August 2001- March 2003

Member, American Council on Science and Health Board of Scientific and Policy Advisors, New York, NY, January 2001 – October 2012

Member, National Domestic Preparedness Office Advisory Group, Federal Bureau of Investigation, Washington, D.C. March 1999 – April 2002

Faculty, Center for Civilian Biodefense Studies, Johns Hopkins University, Baltimore, MD, October 1998- May 2003

Member, Committee to Ensure Safe Food from Production to Consumption, Institute of Medicine, National Academy of Sciences, Washington, DC, 1998

Member, Advisory Committee on Human Immunodeficiency Virus and Sexual-Transmitted Disease Prevention, Centers of Disease Control and Prevention, Atlanta, GA, 1997-1999

Member, Forum on Emerging Infectious Diseases, Institute of Medicine, National Academy of Sciences, Washington, DC, 1996-present

Chair, Institute for Research and Education, Board of Directors and Executive Committee, Minneapolis, MN, 1996-1997

Member, Committee on the Department of Defense Persian Gulf Syndrome Comprehensive Clinical Evaluation Program , Institute of Medicine, National Academy of Sciences, Washington, DC, 1995-1996

Co-Chair, Minnesota Emerging Infections Program Technical Advisory Group, Minneapolis, MN, 1994-1999

Member, Working Group on Waterborne Cryptosporidiosis, Centers for Disease Control and Prevention, Atlanta, GA, 1994-1997

Member, National Advisory Committee on Microbiological Criteria for Foods. U.S. Department of Agriculture, Washington, DC, 1994 - 2000

Member, College of St. Catherine Health Care Advisory Council, St. Paul, MN,
1994 - 1999

Steering Committee Member, National Coalition for Adult Immunization,
Bethesda, MD, 1994 - 1995

Chair, Data Coordination Committee, Minnesota Department of Health,
Minneapolis, MN, 1993 – 1995

Chair, Commissioner's Advisory Work Group on Health Data Initiatives,
Minnesota Department of Health, Minneapolis, MN, 1993-94

Co-Chair, Subcommittee on Monitoring the HIV/AIDS Epidemic; Centers for
Disease Control and Prevention Advisory Committee on the Prevention of
HIV Infection, Atlanta, GA ,1993-94

Member, National Advisory Committee, All Kids Count Program. Robert Wood
Johnson Foundation, Princeton, NJ, January 1992 – July 1998

Member, Board of Scientific Counselors, National Center for Infectious
Diseases, Centers for Disease Control and Prevention, Atlanta, GA, January
1992-1997

Member, Workgroup on HIV Transmission in Health-Care Workers, Office of
Technology Assessment, United States Congress, Washington, DC, July
1991

Member, Workshop on the State of the Art of Diagnosis and Therapy of Lyme
Disease, National Institutes of Health, Bethesda, MD, March 1991

Co-chair, Program Committee, and Member, Executive Committee, International
Scientific Conference on Child Care, Atlanta, GA, 1991

Consultant, Prevention of Transmission of Bloodborne Pathogens to Patients
During Invasive Procedures, Centers for Disease Control, Atlanta, GA 1990-
1992

Member, Division of Epidemiology Chairman Search Committee, School of
Public Health, University of Minnesota, Minneapolis, MN, 1990

Member, Public Health Faculty/Agency Forum; Centers for Disease Control,
Health Resources and Services Administration, and Johns Hopkins
University; Baltimore, MD, 1989-1990

Consultant, World Health Organization Global Programme on AIDS, Geneva
Switzerland, 1988-2001

Member, American Academy of Pediatrics/American Public Health Association
Technical Panel on Prevention and Control of Infectious Disease; Out-of-
Home Child Care Performance Standards Project, Evanston, IL, 1988-90

Member, Editorial Advisory Board, AIDS Reference Guide, Washington, D.C.,
1987 – 1994

Member, Panel on The Public Health Aspects of Human Immunodeficiency
Virus Antibody Testing, Centers for Disease Control, Atlanta, GA, 1987

Consultant, Director's Review Panel on the Association Between Swine
Influenza Vaccination and Guillain-Barre' Syndrome, Centers for Disease
Control, Atlanta, GA 1987

Consultant, Strategies For Prevention and Control of Public Health Problems
Related to *Aedes albopictus* Infestation. Centers for Disease Control,
Atlanta, GA, 1987

Member, Consensus Conference on HTLV-III Antibody Testing and Community
Approaches, Association of State and Territorial Health Officials,
Washington, D.C., March 1986

Member, Hennepin County Task Force on Acquired Immunodeficiency
Syndrome, Minneapolis, MN, 1985-1999

Reviewer, University of California Task Force on Acquired Immunodeficiency
Syndrome, Berkeley, CA, 1985, 1986, 1987, 1988

Ex-officio Member, Minnesota Medical Association Task Force on Acquired
Immunodeficiency Syndrome, Minneapolis, MN, 1985-2004

Special Study Section Reviewer, Epidemiology of Acquired Immunodeficiency
Syndrome, National Institute of Allergy and Infectious Diseases Review
Group, National Institutes of Health, Bethesda, MD, 1985, 1986

Consultant, Education and Foster Care of Children Infected with Human T-
Lymphotropic Virus Type III/Lymphadenopathy-Associated Virus, Centers
for Disease Control, Atlanta, GA, 1985

Chairperson, Commissioner's Statewide Task Force on Acquired
Immunodeficiency Syndrome, Minnesota Department of Health,
Minneapolis, 1985-1989

Visiting Scientist, Mayo Clinic, Rochester, MN, 1984-1992

Collaborator, Report of the Committee on Infectious Diseases, Twentieth and
Twenty-First Editions, American Academy of Pediatrics, 1984, 1988

Chairman, Minnesota Mosquito Research and Control Program, Working Group,
Minnesota Department of Health, Minneapolis, MN, 1984

Special Study Section Reviewer, Natural History of Acquired Immunodeficiency
Syndrome, National Institute of Allergy and Infectious Diseases Review
Group, National Institutes of Health, Bethesda, MD, 1983

Member, Northwest Area Foundation Medical Sciences and Health Advisory
Committee, St. Paul, MN, 1983-1986

Chairperson, Planning Committee, First International Symposium on Infectious
Disease in Day Care: Management and Prevention, Minneapolis, MN, 1982-
1984

Chairman, Metropolitan Mosquito Control District Technical Advisory Board,
St. Paul, MN, 1982-1983

Member, Infection Control Committee, St. Paul-Ramsey Medical Center, St.
Paul, MN, 1976-1982, Consultant, 1982 - 1988

Member, Infection Control Committee, Hennepin County Medical Center,
Minneapolis, MN, 1976 – 1999

Student National Environmental Health Association President, 1976-1977, Vice-
president 1975-1976

Selected Invited Presentations:

“Emerging Infections in a Modern World: A View From the Front Windshield and Rearview Mirror”, University of Minnesota, College of Pharmacy, Melendy Lecture, March 5, 2015, Minneapolis, MN and March 10, 2015, Duluth, MN.

“Responding to the Ebola Crisis” Council on Foreign Relations, October 31, 2014, New York, NY.

Influenza, Gain-of-Function Studies and Biosafety: “A Tempest in Tea Pot or a Crisis Waiting to Happen?” Eagleson Award Lecture, American Biological Safety Association, 57th Annual Biosafety Conference, October 6-8, 2014, San Diego, CA.

“The Compelling Need for Game-Changing Influenza Vaccines” NECOEM/MaAOHN Annual Conference. The Science of Practice of OEM: Innovations and Challenges, December 5, 2013, Newton, MA.

“Influenza Virus: Social contracts, prudence, and alternative perspectives”, Options VIII for the Control of Influenza, September 5-10, 2013, Capetown, South Africa.

“The Compelling Need for Game-Changing Influenza Vaccines” ImVACS-8th Annual Novel Vaccines: Innovations & Adjuvants, August 13-15, 2013, Boston, MA.

“The Compelling Need for Game-Changing Influenza Vaccines” Max Seham Lecture on Social Pediatrics, Topics and Advances in Pediatrics, Department of Pediatrics University of Minnesota, May 30-31, 2013, Minneapolis, MN.

“Influenza: Critical Lessons for 21st Century Vaccines”, Pediatric Infectious Disease Conference, February 7-8, 2013, Alberta, Canada

“The Anti-Science Movement: Changing the Practice of Medicine”, Pediatric Infectious Disease Conference, February 7-8, 2013, Alberta, Canada

“What America Needs to Know to Survive the Coming Bioterrorist Catastrophe” ASCRS Lecture on Science and Medicine, ASCRS ASOA Symposium and Congress, April 22, 2012, Chicago, IL.

“National Science Advisory Board on Bioterrorism Recommendations”. ASM Biodefense and Emerging Diseases Research Meeting, February 26-29, 2012, Washington, DC.

“Food Safety Risks: Evaluation, Management, Communication”. China-US Conference on Food Safety Governance. September 10, 2011, Tsinghua Beijing, China.

“A Perspective on the Future of Driftless Area Coldwater Stream Restoration”. Upper Midwest Stream Restoration Symposium. February 21-23, 2010, LaCrosse, Wisconsin.

“Pandemic Planning Back to the Future: Why there is still a need for pandemic planning”. World Conference on Disaster Management, June 6-7, 2010, Toronto, Canada.

“Preparing for the Next Pandemic”. Illinois Public Health Emergency Preparedness Summit. June 15-17, 2010, Oak Brook, Illinois.

“Placing BioWatch in Perspective: Past and Present Biological Threats”, Moderator, 2010 National BioWatch Workshop, August 2010, Milwaukee, WI

“Preparing for the Next Pandemic”. Invited Keynote, Illinois Public Health Emergency Preparedness Summit 2010, June 16, 2010, Chicago, IL

“Pandemic Planning Back to the Future: Why there is still a need for pandemic planning”. Invited Keynote, HoffmanLaRoche World Conference on Disaster Management, June 7, 2010, Toronto, Canada

“The H1N1 Influenza Pandemic: Lessons Learned and Impact on People with Asthma”. Invited keynote, Richard C. Cushing Lecture Program, May 2010, Edina, MN

“H1N1 Lessons Learned”. 12th Annual Conference on Vaccine Research, National Foundation for Infectious Diseases, April 2010, Bethesda, MD

“A Perspective on the Future of Driftless Area Coldwater Stream Restoration”. Invited Keynote, Upper Midwest Stream Restoration Symposium, February 2010, LaCrosse, WI

“Anticipating and Responding to Pandemic Disease”. Invited Plenary Lecture, World Economic Forum Annual Meeting 2010, January 2010, Davos-Klosters, Switzerland

“Pandemic H1N1 Influenza: Current Status”. World Economic Forum – Summit on the Global Agenda, November 2009, Dubai, UAE

“Foodborne Disease in a Modern World: Lessons Learned”. Invited Keynote Address, Food and Drug Administration Annual Science Day, October 2009, College Park, MD

“The H1N1 Influenza Pandemic: Turning Influenza On It’s Head”. Invited Keynote Address, National Institutes of Health Annual Vaccine Research Center Scientific Meeting, October 2009, Philadelphia, PA

“The H1N1 Influenza Pandemic: Lessons Learned”. Woodrow Wilson Scholar Lecture, September 2009, Minneapolis, MN

“Pandemic Influenza: Our Battle of Waterloo”. Wesley W. Spink Memorial Lectureship, April 2009, Minneapolis, MN

“Preparing for the Next Pandemic”. Berea College Distinguished Lecture Series, March 2009, Berea, KY

“The Minnesota Center of Excellence for Influenza Research and Surveillance; A Model for the Systematic Study of Influenza”. Fourth Annual Avian Influenza Workshop A³IR (Alaska Asia Avian Influenza Research), February 2009, Novosibirsk, Russia

“Avian Influenza Surveillance; An International Perspective”. Indo-US Regional Avian Influenza Surveillance Discussion Group, October 2008, Hyderabad, India

“International Pandemic Preparedness; Requirements and Responsibilities”. Bangkok International Conference on Avian Influenza 2008, January 2008, Bangkok, Thailand

“Pandemic Influenza”. 3rd Annual Founders Lecture Series, Olmsted Medical Center, May 2008, Rochester, MN

“Pandemic Influenza: A Harbinger of Things to Come.” 3rd Annual Malcolm Adcock Memorial Lecture, University of Cincinnati, May 2008. Cincinnati, OH

“The Modern World of Foodborne Disease”. NIH Clinical Centers, Great Teachers Grand Rounds, March 2008, Bethesda, MD

“Lessons From Nana.” University of Minnesota Medical School Commencement

May 4, 2007. Minneapolis, MN

“Pandemic Flu: Facing the Threat.” The Cope Lecture on Science, Technology and the Human Experience. February, 2007. Liberty, MO

“Emergency Preparedness and Lessons Learned.” Joint Commission’s 20th Annual National Conference on Quality and Safety: Decisions that Count. November 2006. Chicago, IL

“Pandemic Influenza H5N1: A Harbinger of Things to Come?” The Freeman Spogli Institute for International Studies at Stanford University Second Annual International Conference. Stanford University, November 2006. Menlo Park, CA.

“Pandemic Influenza H5N1: A Harbinger of Things to Come?” The Nineteenth Annual Thomas Timothy Smith, MD Lecture. Creighton University. November, 2006. Omaha, NE.

“A Modern World and Infectious Diseases: A Collision Course.” The Nobel Conference on Medicine. Gustavus Adolphus College. October, 2006. St. Peter, MN.

“The Future of Public Health” Jonathan Man Memorial Lecture, CSTE meeting, Orange County, CA. June 2006.

“Pandemic Influenza and Business Preparedness: A Primer”. Deloitte Touche Tohmatsu Regional Partners Meeting. June 2006, Frankfurt, Germany

“Pandemic Influenza and Business Preparedness: A Primer”. Deloitte Touche Tohmatsu Regional Partners Meeting. June 2006, Rome, Italy.

“Pandemic Influenza: Lessons Learned and Revisited.” The John LaMontagne Memorial Lecture. National Institutes of Health. May, 2006. Bethesda, MD.

“Lessons from Nana.” University of Pittsburgh School of Public Health Convocation. April, 2006. Pittsburgh, PA.

The Infection Control Professional and the Future: A Perfect Storm. The Elaine Larson Invited Lectureship. Association Professionals in Infection Control 31st Annual Educational Conference and International Meeting, June, 2004. Phoenix, AZ.

Emerging Infections: The New Infectious Disease Frontier. 2003 Richard and Barbara Hansen Leadership Award and Distinguished Lectureship. College of Public Health, University of Iowa. October, 2003. Iowa City, IA.

Bioterrorism and the Clinician. The Alvin L. Schultz Memorial Lecture. Hennepin County Medical Center. September 2003. Minneapolis, MN.

Bioterrorism: Media Hype or Future Nightmare? The 17th Annual Harold D. Rose, M.D. Memorial Lecture. Medical College of Wisconsin. October, 2001. Milwaukee, WI.

The Internet and Infection Control. The Ninth Annual Robert Fekety Lecture. University of Michigan Health System. December, 2000. Ann Arbor, MI.

Bioterrorism: Media Hype or Future Nightmare? The Sixth Donald Thurston Memorial Lecture. Washington University School of Medicine, Department of Pediatrics. October, 2000, St. Louis, MO.

Emerging Infections Revisited: The Next Chapter. Robert Dyar Labrador Memorial Lectureship in Epidemiology. UC Davis School of Veterinary Medicine, April, 2000, Irvine, CA.

The Changing Epidemiology of Foodborne Disease. The Wade Hampton Frost Lecture. American Public Health Association 126th Annual Meeting and Exposition, November 1998, Washington, DC.

Foodborne Disease in the 1990's; The Changing Epidemiology. The James Steele Lecture. University of Texas at Houston, May 1998, Houston, TX.

The Weak Links in the Food Chain. The President's Forum. 98th General Meeting, American Society for Microbiology, May 1998, Atlanta, GA.

Food Safety in the 90's. Amberg Helmholtz Lecture, September 1997, Rochester, MN.

Emerging Infectious Diseases: A Real Public Health Crisis? The 10th Annual Richard G. Bond Memorial Lecture, School of Public Health, University of Minnesota, October 1996, Minneapolis, MN.

Foodborne Disease: The Changing Epidemiology. Weinbaum Memorial Lecture, Union Hospital, May 1996, Terre Haute, IN.

Emerging Infectious Diseases: An International Crisis? The John P. Fox Memorial Lecture, University of Washington School of Public Health and Community Medicine, November 1994, Seattle, WA.

A Changing Epidemiology of Foodborne Diseases: A Global Problem. Charles Franklin Craig Lecture. 44th Annual Meeting of the American Society of Tropical Medicine and Hygiene. November 1994, Cincinnati, OH.

"Erin's Eyes". Commencement Address, University of Minnesota, School of Public Health, June 1993, Minneapolis, MN.

Emerging Trends in Food-borne Disease. Twelfth Annual McLemore Birdsong Pediatric Conference, University of Virginia School of Medicine, May 1992, Charlottesville, VA.

Emerging Trends in Foodborne Diseases. Henry J. Lehnhoff, Jr., M.D. Memorial Lecture, Bishop Clarkson Memorial Hospital. November 1991, Omaha, NE.

Epidemiology of Foodborne Disease: Implications for Food Safety. The Spang Memorial Lectureship. October 1991, Duluth, MN.

AIDS: Reflections on a Journey. The Henry E. Hoffert Memorial Lecture. September 1990, Minneapolis, MN.

"Take Me Out to the Ball Game". Commencement Address, University of Minnesota, School of Public Health, June 1990, Minneapolis, MN

Use of Vaccination to Prevent *Haemophilus influenzae* Type b Disease. Eighth Annual Dr. Samuel N. Litman and Leone S. Litman Lectureship in Pediatrics, St. Luke's Hospital of Duluth, May 1988, Duluth, MN

Abstracts:

1. Osterholm MT. Bacterial parameters of the Upper Iowa River. Iowa Academy of Science Meeting, Grinnel, IA, April , 1974.
2. Osterholm MT. Viral hepatitis in hospital personnel in Minnesota. National Environmental Health Association Annual Education Conference, San Diego, CA, June, 1977.
3. Osterholm MT and Andrews JW. Incidence of viral hepatitis in hospital personnel. American Public Health Association 105th Annual Meeting, Washington, D.C., November, 1977.
4. Osterholm MT. Lack of transmission of viral hepatitis, type B after oral exposure to hepatitis B surface antigen positive saliva. American Public Health Association 106th Annual Meeting, Los Angeles, CA, October, 1978.
